NOTICE PAPER

PRIVATE MEMBERS' NOTICES OF MOTION

8. *Mr. Lewis*—Notice of Want of Confidence Motion under Standing Order 87 (i)—Resolution—As a result of the collapse of Krauss-Maffei; as a result of this government's pre-occupation with magnetic levitation transportation systems at the expense of realistic alternatives; as a result of its assigning \$1.3 billion to the implementation of such systems, thereby severely limiting capital for more conventional and immediately available systems; as a result of the consequent immobilisation of transportation planning for all areas of Ontario, this government has lost the confidence of this House.

The undersigned members hereby request that a debate take place on the Report of the Electoral Boundaries Commission, dated November 18, 1974, on the grounds that the boundaries of certain of the Electoral Districts set forth in Schedule A represent a mis-application of some of the basic guidelines which were given to the Commission; that the Report fails to provide any public explanation for certain obvious violations of those guidelines to which attention was specifically drawn; and that the whole of the Report was prepared without public hearings.

QUESTIONS

5. *Mr. Deacon*—Enquiry of the Ministry—Will the Premier provide copies of all the proposals for the construction and provision of accommodation of the Ontario Institute for Studies in Education as well as copies of the letters or advertisements which requested submission of proposals. Will the Premier also provide similar information relating to the provision of accommodation for the Ontario Educational Television Authority.
13. *Mr. Reid*—Enquiry of the Ministry—Will the Premier provide a list of employees in his office, their titles, job descriptions and function, the gross salary paid to them, and could he advise how many earn a salary of over \$20,000 per year.

resulting therefrom on Highways 7 and 22 east of Sarnia to London from March 1968 to October 1974, the former date being the time when the announcement was made by the then Minister, the Honourable George Gomme as to the commencement of Highway 402.

29. *Mr. Roy*—Enquiry of the Ministry—Could you provide a list of all land purchased by the Ontario Housing Corporation since 1968. When was the land purchased. Who was the vendor. What was the purchase price paid.
31. *Mr. Foulds*—Enquiry of the Ministry—Why did the Ministry make no public announcement about the Government of Ontario Employee Home Owner Assistance Plan. Why does the Government feel it necessary to have instituted a monopoly in this case. When and through what media were the public tenders called for. Why was H. Keith Limited the successful bidder. How does H. Keith Limited locate its agents through the Province. Was there agreement by the Government to the specific agents selected by H. Keith Limited. List each of the agents operating under H. NOTICES OF MOTION AS PROVIDED BY TERMS OF REFERENCE OF ELECTORAL BOUNDARIES COMMISSION, DATED DECEMBER 5th, 1973

The undersigned members hereby request that a debate take place on the Report of the Electoral Boundaries Commission, dated November 18, 1974, on the grounds that the boundaries of certain of the Electoral Districts set forth in Schedule A represent a mis-application of some of the basic guidelines which were given to the Commission; that the Report fails to provide any public explanation for certain obvious violations of those guidelines to which attention was specifically drawn; and that the whole of the Report was prepared without public hearings.

The undersigned members hereby request that a debate take place on the Report of the Ontario Electoral Boundaries Commission dated November 18, 1974 on the grounds: 1. that the report failed in some cases to consider fully the terms of reference contained in the original Government Notice of Motion appointing the Commission particularly those relating to: (a) community and diversity of interest; (b) means of communications; (c) the varying conditions and requirements regarding representations as between urban and rural Electoral Districts; (d) existing boundaries of municipalities or wards thereof; (e) the existing and traditional boundaries of Electoral Districts. 2. that following the presentation of its initial proposals and having received submissions thereto, the implementation of which would necessarily affect the boundaries of adjacent Electoral Districts to which proposed changes had not been made, the Commission in these circumstances had no opportunity to receive the views of those so affected by such submissions or proposed changes by the Commission before proceeding with the changes.

NOTICE PAPER

NOTICES OF MOTION AS PROVIDED BY TERMS OF REFERENCE OF ELECTORAL BOUNDARIES COMMISSION, DATED DECEMBER 5th, 1973

Resuming the Adjourned Debate on Notice of Motion No. 1 respecting the Report of the Electoral Boundaries Commission, dated December 5th, 1973.

2. The undersigned members hereby request that a debate take place on the Report of the Ontario Electoral Boundaries Commission dated November 18, 1974 on the grounds: 1. that the report failed in some cases to consider fully the terms of reference contained in the original Government Notice of Motion appointing the Commission particularly those relating to: (a) community and diversity of interest; (b) means of communications; (c) the varying conditions and requirements regarding representations as between urban and rural Electoral Districts; (d) existing boundaries of municipalities or wards thereof; (e) the existing and traditional boundaries of Electoral Districts. 2. that following the presentation of its initial proposals and having received submissions thereto, the implementation of which would necessarily affect the boundaries of adjacent Electoral Districts to which proposed changes had not been made, the Commission in these circumstances had no opportunity to receive the views of those so affected by such submissions or proposed changes by the Commission before proceeding with the changes.
